TERMLY INSPECTIONS

We will carry out termly inspections to ensure the condition of your room is being maintained. These will usually take place in November and February; we will send out notifications giving you dates and times 7 days prior to the inspections.

Inspections of the kitchen/communal areas will be held monthly.

OUR STAY YOUR STAY YOUR STAY

BEING A GOOD NEIGHBOUR

We endeavour to create a safe, secure, and friendly living environment for The Elements residents.

Here are a few tips on shared living:

- ▶ Be considerate and respectful towards others
- ▶ Don't be abusive, threatening or violent towards another person
- ▶ Don't damage any part of the building, flat or room – you will be liable for repair costs
- ▶ Don't slam doors
- ▶ Keep noise levels within a reasonable volume especially between the hours of 11pm and 8am

GETTING TO KNOW YOUR FLATMATES

Coming to university is all about meeting new people and embracing new opportunities; be patient with your new flatmates and understand that they're also living away from home, often

for the first time. It can sometimes be difficult to find common ground; if you feel unhappy living in your flat come and talk to us at reception. We can advise you on your options and provide support with resolving conflicts.

THE LOCAL AREA

Be considerate and respectful towards the local community, whether you are waiting for a taxi or you are walking through a housing estate. Excessive noise and litter dropping are an offence.

GUESTS

Students are allowed a maximum of two guests to stay on no more than two nights in week.

House rules:

- ▶ Visitors are only allowed access when you are present, and you must accompany your visitors at all times
- ▶ You are responsible for your visitors while on site. You will be liable for any damage or disruption they may cause

OUR STAY YOUR STAY YOUR STAY

GO GREEN

It's important to look after the environment. You can help by:

- ▶ Reducing or recycling your waste
- ▶ Turning the lights off when not in use
- ▶ Controlling your room temperature – by turning your heating down by 1 degree you will save 5% on energy costs
- ▶ Unplugging chargers and using energy saving settings on your electrical equipment, this saves energy and reduces carbon dioxide emissions
- ▶ Use the stairs rather than the lifts, especially when accessing the lower floors
- ▶ Not wasting water – washing a full sink load of dishes or don't leave the tap running when brushing your teeth

MENTAL HEALTH

Some students may experience loneliness, stress, or depression. The on site team is

available to help you and connect you with counselling services and university support.

MEDICAL CARE

It's important when you settle into your accommodation that you register with a local GP surgery and a dental practice. Otherwise, if you become ill during your stay, it won't be possible for a doctor to conduct home visits and you will struggle to receive any treatment without a lot of hassle at a walk-in centre.

MATTERS MONEY MATTERS MONEY

MONEY MATTERS

RENT PAYMENTS

You must pay your rent by the dates outlined in your tenancy agreement. Your rent can be paid via your online account, we do not accept cash or cheques.

Regardless of how you are being funded, loan or parental funding, it is your responsibility to ensure your rent is paid on time. Charges will be applied for late payment in accordance with our AST.

DEBT RECOVERY

If you fail to pay your rent or other charges on time, your account will fall into 'Arrears' and we may implement our debt recovery process to recover this amount. Debts not resolved within a reasonable time frame may lead to more formal legal proceedings. Your guarantor will be notified of any arrears and will be held jointly responsible for the debt.

TENANCY DEPOSIT SCHEME

Before you move into your accommodation you'll be asked to pay a £150 deposit, this will

be held in a government-approved deposit protection scheme. The deposit will be held until the end of the tenancy, deductions may be made for ant unpaid rent, or to pay for any damages caused to the property, fixtures or fittings during the course of their stay.

All deposits are protected by the Deposit Protection Scheme (DPS) and will be returned 28 days after end of tenancy, or on receipt of correct bank details less any charges agreed on site. Further details about this will be provided with your AST and can be found on our website at

www.abodusstudents.com/basics/faqs

CONTENTS INSURANCE

Contents insurance is provided though Sheffield Hallam University. You will have received email confirmation of this. If you need any further information please contact Sheffield Hallam University Accommodation Office.

NANCY YOUR TENANCY YOUR T

YOUR ASSURED SHORTHOLD TENANCY

By signing the Assured Shorthold Tenancy agreement (AST), you are making a legal commitment to pay rent over a fixed length of time. When the lease expires, you will be expected to hand back your accommodation in the condition that you received it.

Fixed-term tenancy (AST only)

Please note that your tenancy is for a fixed term. If you wish to move out of the accommodation, please talk to us. In certain

circumstances, we may be able to release you from your AST (for example, if you find a suitable replacement, have paid any rent that you owe, and the replacement signs a new AST), although we don't have a duty to do so.

If you fail to pay your rent or any applied charges, we may make a claim or bring a county court judgement (CCJ) against you and your Guarantor. Having a CCJ can seriously damage your credit score and could make it difficult to get car financing, a job, or a mortgage.

Please note we are not obliged to release you early from your AST, even if you leave the university.

MOVING ROOMS

If you swap or move rooms during your tenancy your rent account must be up to date and there will be a £50 administration fee; this must be paid prior to your move/ swap. Also, if you wish to end your tenancy during the fixed term period and have found a suitable replacement, there will be a fee relating to this. Please contact the on-site team for more information.

MOVING OUT MOVING OUT MOVING OUT

At the end of your tenancy, an inspection will be carried out by our facilities team, which will be cross referenced with the Inventory Form you filled out at the start of your tenancy. After this has taken place, we'll let you know what, if any, work needs to be done to put the room or flat back to the standard we expect. You will receive your deposit back within 28 days of the end date of the Tenancy Agreement, with a statement listing any deductions that we have made in line with the charge back list.

We will withhold some or all of your deposit if you:

- ▶ Are responsible for damage to the room or flat (whether deliberate or caused by negligence)
- ▶ Fail to remove your possessions or any rubbish from your room or flat
- ▶ Owe any rent or owe any other money under the terms of your Tenancy Agreement

The communal area of the flat is everyone's responsibility so please work out an arrangement with your flatmates as to who will clean and clear which areas. The communal areas must be left cleaned and cleared by the tenancy end date. It's also essential that you report any damage that has occurred to us immediately; the on site team will investigate and any necessary charges will be applied to resident/s who caused the damage. This can only be done if we obtain agreement from each flat mate.

S FEEDBACK & COMPLAINTS FE

While we aim to provide you with the highest standard of accommodation and service, we are aware that sometimes there is room for improvement. Please feel free to relay your suggestions and ideas to the on-site team. We also love to hear your feedback via reviews; please speak to the reception team to find us directly on Google or Student Crowd.

For complaints, we would encourage you to contact the on site team at reception in the first instance. They will discuss this with you and endeavour to resolve any issues. If you have not received a satisfactory response, please contact the Operations Manager:
