## REQUEST FOR MAINTENANCE

All maintenance issues, damages and breakages must be reported via your online portal. Our Facilities Team will endeavour to investigate any issues as quickly as possible depending on the priority of the repair. Some issues may take longer to resolve if a third party contractor or a new part is required.

When you report a fault, we assume that you are happy for us to enter your accommodation to rectify the issue as soon as possible. Should that not be the case, let us know and we will arrange a time that is convenient for both of us.

Failure to report any maintenance issues or damage to your room or flat could result in damage charges being applied to your account.

Please also note that you are responsible for the cost of repairs for damage caused by you or your guest(s). Repair costs for damages shall be borne by the resident responsible. If no resident takes responsibility, the cost will be split equally among all residents of the flat.

## ROUTINE MAINTENANCE

Please be aware of the following:

- ▶ It is necessary for staff to visit your accommodation on several occasions during your stay, either to address maintenance issues, carry out servicing, safety checks, property condition inspections, or in the event of an emergency. We endeavour to give you reasonable notice, whenever possible.
- ▶ Electric meter readings in the communal area of your flat are conducted on a monthly basis. The site team will make their presence known on entering the flat and will endeavour to cause minimum disruption.

# ES YOUR RESPONSIBILITIES YOU

## CONDENSATION

Condensation is caused when excess moisture in the air meets a cold surface (i.e. a window) or a surface that gets little air (i.e. behind a wardrobe).

You can prevent the build-up of condensation and mould by following these simple steps:

- ▶ Cover pans when boiling
- ▶ Use the extractor fan in the kitchen area
- ▶ Regularly ventilate your room/flat by opening the window

If you think you may have mould in your flat/room please contact the on site maintenance team as soon as possible, who can advise you further.

## CLEANING

All residents are responsible for keeping their rooms and shared areas clean. This includes emptying kitchen and room bins, placing rubbish in the correct bins in the refuse store, cleaning surface areas, kitchen utensils, dishes and equipment, vacuuming

and mopping floors and any other facility after use, such as the oven, hob, microwave, bathroom, and toilet.

Failure to keep your accommodation clean will result in cleaning charges being applied to your account.

Our cleaning staff will keep all stairwells, hallways, and communal areas outside your flat clean.

## TERMLY INSPECTIONS

We will carry out termly inspections to ensure the condition of your room/flat is being maintained. These will usually take place in November, February and May; we will send out notifications giving you dates and times 2 days prior to the inspections.

Please ensure your room/flat is left clean, tidy and you have removed all rubbish. Any damage or cleanliness issues that are identified at the inspections could result in a charge being added to your account.

# ES YOUR RESPONSIBILITIES YOU

Please ensure any spillages or stains are treated as soon as they happen. Marks found on walls and flooring which are not considered fair wear and tear will be charged to your account.

## REFUSE & RECYCLING

## BEING A GOOD NEIGHBOUR

We endeavour to create a safe, secure, and friendly living environment for St James' residents.

Here are a few tips on shared living:

- ▶ Be considerate and respectful towards others
- ▶ Don't be abusive, threatening or violent towards another person
- ▶ Don't damage any part of the building, flat or room – you will be liable for repair costs
- ▶ Don't slam doors
- ▶ Keep noise levels within a reasonable volume especially between the hours of 11pm and 8am

## GETTING TO KNOW YOUR FLATMATES

Coming to university is all about meeting new people and embracing new opportunities; be patient with your new flatmates and understand that they're also living away from home, often

for the first time. It can sometimes be difficult to find common ground; if you feel unhappy living in your flat come and talk to us at reception. We can advise you on your options and provide support with resolving conflicts.

## THE LOCAL AREA

Be considerate and respectful towards the local community, whether you are waiting for a taxi or you are walking through a housing estate. Excessive noise and litter dropping are an offence.

## GUESTS

Students are allowed a maximum of two guests to stay on no more than two nights in week.

House rules:

- ▶ Visitors are only allowed access when you are present, and you must accompany your visitors at all times
- ▶ You are responsible for your visitors while on site. You will be liable for any damage or disruption they may cause

# OUR STAY YOUR STAY YOUR STAY

## GO GREEN

It's important to look after the environment. You can help by:

- ▶ Reducing or recycling your waste
- ▶ Turning the lights off when not in use
- ▶ Controlling your room temperature – by turning your heating down by 1 degree you will save 5% on energy costs
- ▶ Unplugging chargers and using energy saving settings on your electrical equipment, this saves energy and reduces carbon dioxide emissions
- ▶ Use the stairs rather than the lifts, especially when accessing the lower floors
- ▶ Not wasting water – washing a full sink load of dishes or don't leave the tap running when brushing your teeth

## MENTAL HEALTH

Some students may experience loneliness, stress, or depression. The on site team is

available to help you and connect you with counselling services and university support.

## MEDICAL CARE

It's important when you settle into your accommodation that you register with a local GP surgery and a dental practice. Otherwise, if you become ill during your stay, it won't be possible for a doctor to conduct home visits and you will struggle to receive any treatment without a lot of hassle at a walk-in centre.

## YOUR ASSURED SHORTHOLD TENANCY

By signing the Assured Shorthold Tenancy agreement (AST), you are making a legal commitment to pay rent over a fixed length of time. When the lease expires, you will be expected to hand back your accommodation in the condition that you received it.

### Fixed-term tenancy (AST only)

Please note that your tenancy is for a fixed term. If you wish to move out of the accommodation, please talk to us. In certain

circumstances, we may be able to release you from your AST (for example, if you find a suitable replacement, have paid any rent that you owe, and the replacement signs a new AST), although we don't have a duty to do so.

If you fail to pay your rent or any applied charges, we may make a claim or bring a county court judgement (CCJ) against you and your Guarantor. Having a CCJ can seriously damage your credit score and could make it difficult to get car financing, a job, or a mortgage.

Please note we are not obliged to release you early from your AST, even if you leave the university.

## MOVING ROOMS

If you swap or move rooms during your tenancy your rent account must be up to date and there will be a £50 administration fee; this must be paid prior to your move/ swap. Also, if you wish to end your tenancy during the fixed term period and have found a suitable replacement, there will be a fee relating to this. Please contact the on-site team for more information.

# MOVING OUT MOVING OUT MOVING OUT

## MOVING OUT

At the end of your tenancy, an inspection will be carried out by our facilities team, which will be cross referenced with the Inventory Form you filled out at the start of your tenancy. After this has taken place, we'll let you know what, if any, work needs to be done to put the room or flat back to the standard we expect.

The communal area of the flat is everyone's responsibility so please work out an arrangement with your flatmates as to who will clean and clear which areas. The communal areas must be left cleaned and cleared by the tenancy end date. It's also essential that you report any damage that has occurred to us immediately; the on site team will investigate and any necessary charges will be applied to resident/s who caused the damage. This can only be done if we obtain agreement from each flat mate.

# S FEEDBACK & COMPLAINTS FE

While we aim to provide you with the highest standard of accommodation and service, we are aware that sometimes there is room for improvement. Please feel free to relay your suggestions and ideas to the on-site team.

For complaints, we would encourage you to contact the on site team at reception in the first instance. They will discuss this with you and endeavour to resolve any issues. If you have not received a satisfactory response, please contact the Operations Manager:
