Your Responsibilities

Request For Maintenance

All maintenance issues, damages and breakages must be reported via your online account. Our Facilities Team will endeavour to investigate any issues as quickly as possible depending on the priority of the repair. Some issues may take longer to resolve if a third party contractor or a new part is required.

When you report a fault, we assume that you are happy for us to enter your accommodation to rectify the issue as soon as possible. Should that not be the case, let us know and we will arrange a time that is convenient for both of us.

Failure to report any maintenance issues or damage to your room or flat could result in damage charges being applied to your account.

Please also note that you are responsible for the cost of repairs for damage caused by you or your guest(s). Repair costs for damages shall be borne by the resident responsible. If no resident takes responsibility, the cost will be split equally among all residents of the flat.

Routine Maintenance

Please be aware of the following:

- ➔ It is necessary for staff to visit your accommodation on several occasions during your stay, either to address maintenance issues, carry out servicing, safety checks, property condition inspections, or

in the event of an emergency. We endeavour to give you reasonable notice, whenever possible.

- ➔ Electric meter readings in the communal area of your flat are conducted on a monthly basis. The site team will make their presence known on entering the flat and will endeavour to cause minimum disruption.

Condensation

Condensation is caused when excess moisture in the air meets a cold surface (i.e. a window) or a surface that gets little air (i.e. behind a wardrobe).

You can prevent the build-up of condensation and mould by following these simple steps:

- ➔ Cover pans when boiling
- ➔ Use the extractor fan in the kitchen area
- ➔ Regularly ventilate your room/flat by opening the window

If you think you may have mould in your flat/ room please contact the on site maintenance team as soon as possible, who can advise you further.

Cleaning

All residents are responsible for keeping their rooms and shared areas clean. This includes emptying kitchen and room bins, placing rubbish in the correct bins in the refuse store, cleaning surface areas,

kitchen utensils, dishes and equipment, vacuuming and mopping floors and any other facility after use, such as the oven, hob, microwave, bathroom, and toilet.

Failure to keep your accommodation clean will result in cleaning charges being applied to your account.

Our cleaning staff will keep all stairwells, hallways, and communal areas outside your flat clean.

Termly Inspections

We will carry out termly inspections to ensure the condition of your room/flat is being maintained. These will usually take place in November and February; we will send out notifications giving you dates and times 7 days prior to the inspections.

Please ensure your room/flat is left clean, tidy and you have removed all rubbish.

Any damage or cleanliness issues that are identified at the inspections could result in a charge being added to your account.

Displays

- ➔ Please do not build up any items or place them on display in your flat window
- ➔ Please do not hang items out of the windows, display signs or posters on them.
- ➔ All doors are fire doors and therefore nothing should be hung

on them as this will affect the performance of them in the event of a fire.

Walls & Flooring

Please do not put posters or decorations (including led or fairy lights) on your walls; a noticeboard has been provided for you to put up personal pictures and photographs.

Please ensure any spillages or stains are treated as soon as they happen. Marks found on walls and flooring which are not considered fair wear and tear will be charged to your account.

Refuse & Recycling

There is a bin store located in the courtyard of each building. Each resident is responsible for the removal of waste and recycling of unwanted materials. Please dispose of them correctly by using the designated bins – General, Glass or Mixed Recyclables.

TV Licence

If you install a TV in your room, flat or studio, or watch live TV online, you are responsible for obtaining a TV licence. Please visit www.tvlicensing.co.uk for further information. You will be responsible for any charges or penalties incurred as a result of not possessing a licence. Please ensure that your TV has been correctly installed and tuned. Please select a digital setting to connect to Free View.

Your Stay

Being A Good Neighbour

We endeavour to create a safe, secure, and friendly living environment for The Bridge residents.

Here are a few tips on shared living:

- ➔ Be considerate and respectful towards others
- ➔ Don't be abusive, threatening or violent towards another person
- ➔ Don't damage any part of the building, flat or room – you will be liable for repair costs
- ➔ Don't slam doors
- ➔ Keep noise levels within a reasonable volume especially between the hours of 11pm and 8am

Getting To Know Your Flatmates

Coming to university is all about meeting new people and embracing new opportunities; be patient with your new flatmates and understand that they're also living away from home, often for the first time. It can sometimes be difficult to find common ground; if you feel unhappy living in your flat come and talk to us at reception. We can advise you on your options and provide support with resolving conflicts.

The Local Area

Be considerate and respectful towards the local community, whether you are waiting for a taxi or you are walking through a housing estate. Excessive noise and litter dropping are an offence.

Guests

Students are allowed a maximum of two guests to stay on no more than two nights in week.

House rules:

- ➔ Visitors are only allowed access when you are present, and you must accompany your visitors at all times
- ➔ You are responsible for your visitors while on site. You will be liable for any damage or disruption they may cause

Go Green

It's important to look after the environment. You can help by:

- ➔ Reducing or recycling your waste
- ➔ Turning the lights off when not in use
- ➔ Controlling your room temperature – by turning your heating down by 1 degree you will save 5% on energy costs
- ➔ Unplugging chargers and using energy saving settings on your electrical equipment, this saves energy and reduces carbon dioxide emissions
- ➔ Use the stairs rather than the lifts, especially when accessing the lower floors
- ➔ Not wasting water – washing a full sink load of dishes or don't leave the tap running when brushing your teeth

Mental Health

Some students may experience loneliness, stress, or depression. The on site team is available to help you and connect you with counselling services and university support.

Medical Care

It's important when you settle into your accommodation that you register with a local GP surgery and a dental practice. Otherwise, if you become ill during your stay, it won't be possible for a doctor to conduct home visits and you will struggle to receive any treatment without a lot of hassle at a walk-in centre.

Wellbeing

We are committed to ensuring your stay here is comfortable, safe and conducive to your overall wellbeing. As members of ANUK National Code, we adhere to the highest standards in student accommodation, prioritising your needs and ensuring a supportive living environment. This section of the handbook outlines the various support services and resources available to you during your stay.

University Wellbeing Services

We encourage you to make use of the wellbeing services provided by your university. These services offer a range of support, including counselling, mental health services and various wellness programmes designed to help you manage stress and maintain a healthy balance between your academic and personal life.

Code Of Conduct

The Abodus Community

At Abodus Student Living we pride ourselves on being a customer-first operator, placing our students at the heart of everything we do. To us a 'community' is not about size, community is created when a group of people embrace and invest in their environment, and in turn that

environment offers opportunities for its people to grow and flourish. All members of the Abodus community, including student residents and the on-site/central team have responsibility for safety an Abodus Student Living property. Residents and team are expected to quickly and accurately report any and all criminal acts, acts of vandalism, dangerous situations, suspicious behaviour or behaviour causing concern or annoyance to other residents.

In order to resolve any safety concerns, Abodus relies on its residents to voice any concerns directly to the on-site team, whether verbally or in writing.

Code Of Conduct

The Code of Conducts is a guide to the standards residents must adhere to when living as part of the Abodus community. Every Abodus resident is entitled to live free of disruption, intimidation or harassment from other residents. Offensive behaviour towards other residents or members

of the Abodus team are unacceptable and will not be tolerated. The Code of Conduct applies to residents on any tenancy contract length, including short term/sessional lets. Any behaviour which is not deemed acceptable by Abodus will lead to the beginning of formal disciplinary procedures including, but not limited to:

- ➔ Conduct not in compliance with the Resident Handbook or likely to cause injury or affect the health and safety of you, other residents, visitors to the property of the Abodus team
- ➔ Conduct which constitutes a criminal offence (e.g. assault, theft or deception)
- ➔ Behaviour which brings Abodus into disrepute. (anti-social or aggressive behaviour, inconsiderate noise, and criminal damage to private property)
- ➔ Violent, indecent, disorderly, threatening or intimidating behaviour or language towards residents, visitors or members of the Abodus team
- ➔ Misuse, misappropriation, vandalism, theft or damage of property

- ➔ Sexual, racial or any other form of harassment or discrimination
- ➔ Failure to respect the rights of others to freedom of belief and freedom of speech
- ➔ Failure to disclose personal details to a member of Abodus when requested in reasonable circumstances ie. showing identification or student ID
- ➔ Misuse of your room or unauthorised use of the facilities at Abodus Breaches of any codes or regulations adopted by Abodus Student Living (e.g. ANUK Code of Standards)

If at any time you feel another resident has breached this code and infringed your rights as an Abodus resident, you must speak to your front of house team and file an Incident Report with the Front of House or Operations Manager.

Unacceptable Conduct

Breaches of the Code of Conduct include, but are not limited to, the following:

- ➔ Unauthorised possession or duplication of keys, fobs, and/or the distribution of such to others

- ➔ Interfering with the response of officials to emergency calls
- ➔ Destruction or damage to property belonging to others or Abodus

Judicial Process

Should a breach to the Code of Conduct occur, the Operations Manager on behalf of Abodus Student Living will notify the individual(s) in writing to either:

- ➔ Inform the individual(s) of policies and the Code of Conduct with no further action required; or
- ➔ Inform the individual(s) of the policies and formally warn against continued/repeated behaviour with no further action required; or
- ➔ Inform the individual(s) of the policies and sanction the individual(s) appropriately (e.g. damage charges, reconciliation or a formal apology etc.); or
- ➔ Inform the individual(s) of the policies and direct the individual(s) to meet with the property Operations Manager for further discussion and investigation. Should the individual(s) not attend the meeting, the meeting will go ahead without the input from the resident(s) and a final decision made

Administrative Review

The judicial review follows the resident(s) involved to meet with the property Operational Manager (OM) (or an appointee in their place) to review the reported activity. This meeting is only between the OM and the resident(s) involved, which is the resident(s) opportunity to discuss the situation directly with the on-site management. The OM will consider all comments and the evidence provided to them before making a decision as to whether the Code of Conduct has been broken.

The OM will make a formal decision within 10 working days to render a decision in writing.

Any previous misconduct will be considered when deciding an appropriate course of action. Failure to comply with any sanction(s) within the designated time frame will result in additional Sanctions and/or another Administrative Review. All decisions made through this process are considered immediately enforceable; in the event of inappropriate behaviour of the part of the resident(s) during the judicial process, the property OM reserves the right to immediately remove a resident from their property.

Possible Sanctions

Sanctions can take various forms and may be issued individually or as a mixture of sanctions depending on the severity of the violation. Sanctions may include, but are not limited to:

- ➔ A formal written warning
- ➔ Community service: providing a service to the local community or Abodus Student Living
- ➔ Restitution, involving charges for damages or theft
- ➔ Disciplinary probation: This is a final warning against further violations within a certain period of time; if violated will result in the issuance of Notice to Quit
- ➔ Section 21 Notice to Quit: Advises the resident of 2 months' notice terminating their AST

Appeals Process

Appeals to sanctions can only be made if additional evidence/new information becomes available which was not available at the time the original decision by the OM was rendered. Appeals must be made within five (5) calendar days of the judicial process decision being made. Appeals after five calendar days will not be considered. Upon receipt of the appeal notice and new evidence, the OM will review and may:

- ➔ Change/reverse the original decision; or
- ➔ Change/reverse the previously assigned sanction(s); or
- ➔ Affirm the original decision

The Operations Manager will review the appeal and may render a decision immediately or may choose to meet with the resident to review the appeal.

Appeal decisions are final, and no further appeals may be made.

Money Matters

Rent Payments

You must pay your rent by the dates outlined in your tenancy agreement. Your rent can be paid via your online account, we do not accept cash or cheques.

Regardless of how you are being funded, loan or parental funding, it is your responsibility to ensure your rent is paid on time. Charges will be applied for late payment in accordance with our AST.

Debt Recovery

If you fail to pay your rent or other charges on time, your account will fall into 'Arrears' and we may implement our debt recovery process to recover this amount. Debts not resolved within a reasonable time frame may lead to more formal legal proceedings. Your guarantor will be notified of any arrears and will be held jointly responsible for the debt.

We provide contents insurance which covers your belongings.

It's important to register with the Howden's Student app, so you can check your insurance policy and discover what's covered during your stay with us.

Your Tenancy

Your Assured Shorthold Tenancy

By signing the Assured Shorthold Tenancy agreement (AST), you are making a legal commitment to pay rent over a fixed length of time. When the lease expires, you will be expected to hand back your accommodation in the condition that you received it.

Fixed-term tenancy (AST only) Please note that your tenancy is for a fixed term. If you wish to move out of the accommodation, please talk to us. In certain circumstances, we may be able to release you from your AST (for example, if you find a suitable replacement, have paid any rent that you owe, and the replacement signs a new AST), although we don't have a duty to do so.

Please note we are not obliged to release you early from your AST, even if you leave the university.

Moving Rooms

If you swap or move rooms during your tenancy your rent account must be up to date and there will be a £50 administration fee; this must be paid prior to your move/ swap. Also, if you wish to end your tenancy during the fixed term period and have found a suitable replacement, there will be a fee relating to this. Please contact the on-site team for more information.

Moving Out

At the end of your tenancy, an inspection will be carried out by our facilities team, which will be cross referenced with the Inventory Form you filled out at the start of your tenancy. After this has taken place, we'll let you know what, if any, work needs to be done to put the room or flat back to the standard we expect.

The communal area of the flat is everyone's responsibility so please work out an arrangement with your flatmates as to who will clean and clear which areas. The communal areas must be left cleaned and cleared by the tenancy end date. It's also essential that you report any damage that has occurred to us immediately; the on site team will investigate and any necessary charges will be applied to resident/s who caused the damage. This can only be done if we obtain agreement from each flat mate.

Feedback & Complaints

While we aim to provide you with the highest standard of accommodation and service, we are aware that sometimes there is room for improvement. Please feel free to relay your suggestions and ideas to the on-site team.

For complaints, we would encourage you to contact the on site team at reception in the first instance. They will discuss this with you and endeavour to resolve any issues. If you have not received a satisfactory response, please contact the Operations Manager:
